

PHYSICAL AND HEALTH EDUCATION COMMUNITY LEADERSHIP PLACEMENT

Placement Role: Pedorthic Assistant

Host Organization: BioPed North Bay

Placement Service Times: Students to interview with host to discuss availability. To be negotiated with host based on the student academic schedule. Weekday, evening and weekend hours may be required.

Host Description: Specializing in assessing and providing non-surgical treatment for conditions related to the functions of the feet and lower limbs, we work to alleviate discomfort and help people move through life with greater stability and peace of mind.

All BioPed Centres have on-site labs where we manufacture a full range of orthoses (orthotics) and provide clients with the convenience of adjustments and specialized fitting services. We also carry knee and lower limb braces – both custom and non-custom, compression stockings in various sizes, colours and compression grades as well as an outstanding collection of fashionable, orthotic-friendly footwear which can be customized if necessary for almost any foot irregularity.

Placement Duties: Are there specific deliverables that should be included here?

The placement student will spend a minimum of 50 hours training under the supervision of a Canadian Certified Pedorthist. The placement student will assist in the manufacturing lab, observe biomechanical assessments and explore a variety of lower limb conditions.

Placement Requirements: This placement is available to students who have already successfully completed PHED 3106, and plan to pursue clinical and/or health promotion related industries. Placement students must be flexible, able to work independently and available during business hours. Valid police check, CPR Level C/FA. For all clinical placements, an up to date immunization record must be available upon request. **Students selected for this placement must submit a resume, cover letter and be willing to interview for the limited number of positions available.**

Number of Students Accommodated within placement: (minimum 50 hours): One
