STUDENT(S) PLACEMENT DETAILS

1. Please indicate the number of student placement positions available:

2. Are there any pre-requisites required of the student? Yes No
If yes, please indicate the requirements needed:

3. Briefly describe the role that a placement student would fulfil within your organization/program. *Please keep in mind, these experiential learning opportunities are **virtual** in nature, and students are not expected to work 'on location'. Placement hosts need to provide students with enriched learning experiences, where they are able to connect via video chat, phone and email and grasp an understanding of organizational needs and successfully be able to virtually contribute to the needs of the organization (e.g., research, videos, online supports, tutorials etc.)*

4. If you have a specific student(s) in mind for this position, please include their first and last name(s). Every effort to match requests will be made, but there are no guarantees.

First and Last Name of Requested Student:
